### *Independent Auditor's Report*

To the Board of Directors and Stockholders  
of Sauer, Dazey Investment Company

We have audited the accompanying financial statements of Sauer, Dazey Investment Company (a Missouri corporation), which comprise the statement of financial condition as of March 31, 2016, and the related statements of income, changes in stockholder's equity, and cash flows for the period then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. Sauer, Dazey Investment Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Sauer, Dazey Investment Company as of March, 31 2016, and the results of its operations and its cash flows for the period then ended in accordance with accounting principles generally accepted in the United States of America.

The Computation of Net Capital, Aggregate Indebtedness, and Ratio of Aggregate Indebtedness to Net Capital has been subjected to audit procedures performed in conjunction with the audit of Sauer, Dazey Investment Company's financial statements. The supplemental information is the responsibility of Sauer, Dazey Investment Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we

evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**For the Fiscal Year Ended March 31, 2016**

**I. Summary of Significant Accounting Policies**

Basis of Presentation – Sauer, Dazey Investment Company (the Company) is a wholly owned subsidiary of Orion Investment Company (Orion), which is a registered investment advisor. The Company is a registered securities broker/dealer and is a member of the Financial Industry Regulatory Authority. The Company clears all customer transactions through another broker/dealer on a fully disclosed basis. The Company does not hold funds or securities for, or owe money or securities to, customers and does not otherwise carry customer accounts. Accordingly, the Company is exempt from Securities and Exchange Commission Rule 15c3-3.

Cash and Cash Equivalents – The Company considers all short-term investments with an original maturity of three months or less to be cash equivalents.

Revenue Recognition – Commission revenues and expenses related to security transactions, which are cleared through another broker/dealer, are recorded on a settlement date basis. Reporting such transactions on a trade date basis would not result in any material differences to the financial statements.

Income Taxes – The Company and Orion Investment Company file consolidated federal and Missouri income tax returns. No provision for income taxes was required for the consolidated income tax returns for the fiscal year ended March 31, 2016. If the Company had filed its own separate income tax returns, the income tax liability would be approximately \$9,462.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**II. Concentration of Credit Risk**

Sauer, Dazey Investment Company is located in Saint Louis, Missouri. Most of its clients are individuals who reside in the Saint Louis metropolitan area.

The Company maintains an account with Bank of America and two money market accounts with RBC Correspondent Services (RBC), a securities broker/dealer. Bank of America provides \$250,000 of deposit insurance through the Federal Depositors Insurance Corporation. RBC provides \$100,000 of coverage through the Securities Investor Protection Corporation. RBC has also purchased additional coverage for the entire net asset value of each account. There were no amounts in excess of insured limits at either account on March 31, 2016.

**Sauer, Dazey Investment Company**  
**Notes to the Financial Statements**  
**For the Fiscal Year Ended March 31, 2016**

**III. Net Capital Requirements**

Sauer, Dazey Investment Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule, which requires the maintenance of minimum net capital of \$50,000 and that the ratio of aggregate indebtedness to net capital, both as defined, not exceed 10 to 1. The rule also provides that equity capital may not be withdrawn, or cash dividends paid, if the Company's resulting net capital is less than \$50,000, or its ratio of aggregate indebtedness to net capital exceeds 10 to 1. The Company's net capital and the required minimum net capital were \$215,724 and \$50,000 respectively at March 31, 2016, resulting in net capital of \$165,724 in excess of the minimum requirement.

**IV. Related Party Transactions**

The Company entered into an agreement regarding the allocation of operating expenses with Orion, whereby payments are made to Orion on a monthly basis to compensate for salaries of officers and employees, occupancy, and equipment expenses. Operating expenses were \$59,844 for the fiscal year ended March 31, 2016.

**V. Disclosure of Subsequent Events**

To the Board of Directors and Stockholders  
of Sauer, Dazey Investment Company

We have reviewed management's statements, included in the accompanying Sauer, Dazey Investment Company's Exemption Report, in which (1) Sauer, Dazey Investment Company identified the following provision of 17 C.F.R. §15c3-3(k) under which Sauer, Dazey Investment Company claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(ii) (the "exemption provisions") and (2) Sauer, Dazey Investment Company stated that Sauer, Dazey Investment Company met the identified exemption provisions throughout the most recent fiscal year without exception. Sauer, Dazey Investment Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Sauer, Dazey Investment Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
